

Dear Family,

Good news! Your child now has at-home access to an engaging reading program called Scholastic BookFlix®! This interactive digital resource provides a unique read-aloud experience that will help your child develop and practice essential reading skills, and introduce them to a world of knowledge and exploration. BookFlix can be used anytime, anywhere, and on any device with an Internet connection—which means that your child can easily extend their learning beyond the school day.

BookFlix includes:

- Classic animated stories, each paired with a related nonfiction ebook
- Spanish language versions
- Read-aloud supports so students can hear each book narrated, and also hear definitions of key words and directions for each activity
- Educational puzzles so children can show what they have learned
- Meet the Creators section to learn more about each fiction book

Did you know by dedicating only 20 minutes of reading per day, it is estimated that your child will be exposed to 1.8 million words per year? Scholastic BookFlix is the perfect resource for independent reading practice and supports both beginning and reluctant readers thanks to its delightful read-alouds.

Please enjoy and happy reading!
