

Dear Educator,

TrueFlix has been purchased for your school. This interactive digital tool provides a resource from Scholastic that combines high-interest nonfiction content on 220+ science and social studies units.

You will have access to TrueFlix from now through _____.

TrueFlix is an amazing platform for students in Grades 3–6. Students are able to sharpen their literacy skills, build knowledge of subject-area content, and cultivate learning skills. All of the TrueFlix books are supported with a deep and diverse pool of related content and primary sources featuring videos, audio, images, and text, with intuitive navigation and media.

For additional information, check out [TrueFlix's downloadable resources page](#) where you can find the following resources and much more:

- Family welcome letter
- Current TrueFlix title list
- Print-and-display poster
- Monthly TrueFlix newsletter archive

For additional questions or technical support, please do not hesitate to contact us at **(800) 724-2222 option 5** or digitalservice@scholastic.com.

Sincerely,
Scholastic Education Solutions
